Jo Bragger Pride of Bully/ Adorare

Big thanks to the show committee for the invitation to judge my first show with you. It was a lovely day. A really well run show with committee so warm and friendly. Also a heartfelt thank you to those who entered and travelled to the show. It was a scorcher of a day and I was so proud to see the bulldogs enjoying the weather with no excessive breathing issues and each of my exhibits were presented in immaculate condition.

GRANDTREE BOOTYLICIOUS – MRS T P ROSS.

8 month old puppy caught my eye as soon as she entered the ring. Presented in lovely condition. A clean brick shaped skull with the darkest clearest eyes, correct ear placement, wide open nostrils with dark pigment. Just enough padding to the cheeks, good upsweep to the jaw with decent width and good dentition. Nice neck length with well-placed shoulders dropping to a good depth of brisket. Strong boned legs and the neatest of feet. Lovely top line held on the move, free moving tail with nicely angulated hind quarters. Moved well, walked her width and was so well behaved for a puppy so young. I would happily have taken her home! BOB & BP

SULLEYBULLS STAN THE MAN AT GEENAWELL – MRS G WELLER

Red boy in clean condition. Well built, thick set with nice masculine head. Correct ear placement with strong pigment, wide nostrils and nice length of skull. Well padded cheeks with adequate width of jaw. Nice strong shoulders, leading to well boned straight forelegs and neat feet. Good depth to brisket with enough neck and clean top-line, correct tail with nice set. Moved ok.

BAALZEBUL CONSTANCE FOR GEENAWELL- MRS G WELLER

5 year old bitch white with red. Pleasing girl of standard size, although I'd like a little less weight, she showed great spirit and her young handler did really well to show her off in lovely clean condition. A feminine head with lovely dark eyes and pigment. Open nostrils and a good width of true jaw. Pleasant neck length with strong shoulders to straight legs with just enough bone and neat feet. Great tail which wagged freely, clean top-line held on the move with good rear angulation. Moved well RBOB.
